WELCOME TO
THE NFL.

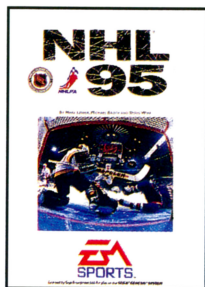

EA SPORTS Presents

Madden NFL '95

You are a sleek fluid tailback on a wide field with plenty of room to run behind your massive pulling guard. You are a quarterback in the shotgun who can look off two receivers and hit the

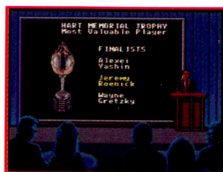

third — with no passing windows. You are an NFL head coach with a 48 player roster — substitute anytime, but beware of over 100 possible injuries. With Madden NFL '95, you are in control of the best interactive football experience on the planet — don't blow it.

EA SPORTS Presents

NHL '95

The greatest hockey game ever created just got better. Faster gameplay. Full Season mode. Trade players or create your own stars. New player moves including fake shots and drop passes. Even a two-on-two blistering "jam" mode. All this combines to deliver incredible hockey action that is NHL '95 — the fastest game to hit the ice.

EA SPORTS Presents

FIFA Soccer '95

FIFA '95 is bigger, faster, and smarter than the original classic. New features include more teams, battery back-up, playcalling, new player artwork, and better-defined team play styles. Gameplay is faster, players and goalies are smarter, and a new shooting system lets you aim for any part of the net. Throw in 250 (!) new teams, including 200 club teams and 4 all-new international teams and you've

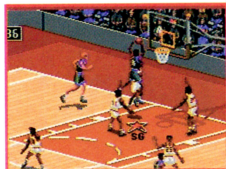

got the most realistic soccer game ever created for the Sega Genesis.

EA SPORTS Presents

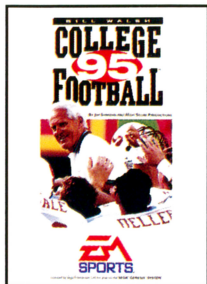

NBA® Live '95

Quite simply, the best basketball game. NBA Live '95 is all new from the ground up, including a 30° perspective that shows the court and players more clearly, fluid new player animations, and a TV-style presentation.

Official NBA teams and rosters with 93-94 stats and ratings, configurable difficulty and rules, and real basketball strategy will keep this game fresh long after those 2-on-2 games are collecting dust. NBA Live '95 is behind-the-back-passing, fast-braking, in-your-face-slamming NBA excitement.
